The Patrick Henry High School Foundation started the Hall of Fame in 2001. Plaques honoring the member are located in the Gym Lobby. Members of the Hall of Fame can be former students, staff, and/or community members with ties to Patrick Henry.

- Students must be graduates of PHHS and have been out of school for a minimum of five years.
- Staff and community member do not have to be graduates and can be nominated at any time.

The Hall of Fame is not an athletic only recognition, but is based on nominees who bring honor to school through their many accomplishments. Induction in to the Hall of Fame takes place on an annual basis. A Hall of Fame Luncheon is held to present this honor to the recipients. Each Hall of Fame member will have a plaque permanently displayed with their picture and a brief description of their accomplishments. Inductees selected for the Hall of Fame will be contacted by the selection committee to gather information for the plaque and inductees will have an opportunity to ask any questions regarding the honor.

The Hall of Fame Selection Committee is composed of current Hall of Fame members. There is not a set number of inductees each year and there is not a mandate that inductions must be made every year. Nomination forms for any individuals who are not inducted the year their nomination was received are kept and reviewed again in following years. Nominations only need to be submitted once per nominee.

Thank you for your participation!

Sincerely,

*The PHHS Foundation Hall of Fame Selection Committee*
