

PATRIOT PRIDE PLEDGE 2017 - 2018

In 1999, the Patrick Henry High School Foundation was established. Since its inception the Foundation has awarded scholarships to students going on to college, given funding to teachers for classroom projects for which there was no other funding available, supported the senior celebration, established a Patrick Henry Hall of Fame, and supported other Patrick Henry programs in many other ways.

Patrick Henry is regularly recognized among the best public schools in the nation with high graduation rates and many students moving on to post-secondary education.

As a 501(c)(3) tax exempt organization, donations for the Foundation are tax deductible as a charitable contribution. With increased requests for funding from students and staff, we are soliciting your support to allow us to continue to support Patrick Henry and its students. If each of you could give a donation of at least \$25, we will be better equipped to support the many worthwhile funding requests that we receive annually.

Last year your support was incredible and we hope to do even better this year. **We count on each of you to help us make our fundraising efforts successful!**

Your gift would fund a variety of academic, athletic, and after school programs such as:

- Scholarships
- Athletics
- Specialized instruction materials and tools
- Band, choir and other artistic endeavors

Through the generosity of our donors we have been able to actively support the school, faculty, and students. Please help us again in our mission to enhance the Patrick Henry High School experience. At whatever support level that you are comfortable with, you will be able to see your donation make a positive impact. You can even make a general contribution or designate a department or cause that you would like to support specifically.

Every donation counts.

Thank you so much for teaming up with the PHHS Foundation to help Patrick Henry High students achieve success.
